

Department of Electronics & Communication

STATUS: NBA Accredited · Recognized Ph.D. Research Center · Industry Partnerships

The Department of Electronics & Communication Engineering equips future engineers with hands-on expertise in VLSI circuit design, embedded robotics, signal processing, and next-generation wireless communications with state-of-the-art laboratory facilities and robust industry partnerships.

Annual Intake	180 Seats	Location	ECE Academic Block
Degree Programs	B.E., M.Tech, Ph.D.	Lab Partners	Texas Instruments, Qualcomm
Placement Rate	88%+	Highest CTC	■32 LPA
Email Contact	ece@rnsit.ac.in	Office Hours	9:20 AM – 5:00 PM

Advanced Laboratories & Centers

- **VLSI Design Suite:** Complete Cadence EDA tools and FPGA simulation platforms.
- **Texas Instruments Innovation Center:** Embedded systems, IoT microcontrollers, and sensor arrays.
- **Wireless & Microwave Lab:** High-frequency spectrum analyzers and RF antenna test chambers.

Placement Track Record

- Premier Recruiters: Qualcomm, Texas Instruments, Intel, Bosch, Tata Elxsi, Nokia, Cisco, L&T.;
- Excellent core engineering hiring alongside top-tier IT and software engineering roles.

Department Inquiries

Location: Main Campus Block, RNSIT, Bengaluru – 560098
