

Department of Mechanical Engineering

STATUS: Toyota Center of Excellence · Advanced Robotics & Mechatronics

Blending traditional mechanical engineering rigor with modern robotics, Mechatronics, and CNC automation, the department houses the premier Toyota Center of Excellence and active EV racing teams.

Location	Mechanical Block	HOD	Mechanical Academic Center
Flagship Center	Toyota Center of Excellence	Recruiters	Toyota, Bosch, L&T, Mercedes-Benz
Degrees	B.E., M.Tech, Ph.D.	Contact Email	mech@rnsit.ac.in

Hands-On Industry Centers

- **Toyota Center of Excellence:** Operational engine test cells and cut-section automotive units.
- **Modern CNC & Robotics Lab:** Industrial robotics, multi-axis machining, and CAD/CAM modeling suites.
- **Formula Student Racing:** Active FSAE and Electric Vehicle student design racing team.

Inquiries & Admissions
